Writer's Guidelines

for *The Mother's Heart Magazine*

Thank you for your interest in writing for *The Mother's Heart Magazine*. We are interested in heart and informational articles on all facets of motherhood, homeschooling and making a warm home environment: organization, living in God's strength, encouragement for mothers, joyous mothering, creative homemaking, child-raising, getting it all done, father's viewpoint and roles, and other topics related to Titus 2 and Proverbs 31 living.

Please keep the tone positive, real-life, with hope and a good ending. Personal experiences or other anecdotes which relate to the article topic make great lead-ins.

- **Length**

We prefer articles to be 750-1000 words for short articles, 1250-1750 words for feature articles. Please check with the editor for length options:

Editor@TMHMag.com

- **Spell Check**

Please run the article through **spell-check** on your word processing program. Check for misuse of homonyms. Have your spouse or friend read through it for clarity and for spelling errors.

- **Formatting**

Please do not format your article.

Use **one space** at the end of sentences, rather than the typical two spaces taught in typing classes. Format with left margin, but not right justified. (Leave right edges "ragged.")

Put a single line space in the text *inside* paragraphs. Use a double line space *between* paragraphs.

Use Arial 12 point font.

Please format bulleted items to include the bullets. Please do not use fancy bullets, but use the ones included here as your guideline:●

Use italics for book and newspaper titles, quotation marks for article and chapter titles.

Please refer to a style book (*The Chicago Manual of Style* is a good reference). Periods and excla-

mation points go *inside the quotation marks*.

Please do *no other formatting* to your article.

- **Submissions**

E-mail transmission for articles and photos is preferred. (See information on Photograph Submission Information.)

Word Documents or PageMaker files preferred.

Attach the file to your email.

E-mail to: Kym@KymWright.com

Or you may embed the article into the email, so it becomes the body of the email.

If e-mail is not available, please send on a **floppy disk** to: **The Mother's Heart** Magazine, PO Box 231, Oxford, MI 48370.

Please put a heading on each submission:

Your Name (Dew Rite)
Your email address (DewRite@YourService.com)
Title of document ("MyArticle Title")
Targeted Month to print (February 09)
Wordcount (1250)

- **Titles and Call Outs**

Please **title** the article, and give us several title options.

The editors reserve the right to change the title.

Please copy or add call outs (or pull quotes) at the end of the article.

Call outs are the ideas which encapsulate your article. Find the sentences which have great impact and Pow-Power! and copy those at the end of the article.

- **Bio or Biography**

A bio is 2-3 sentences (up to 30 words) about yourself, familychildren, homeschool experience, related business, website URL, etc. No personal blogs, please.

- **Rights**

We accept First Rights, which means the article has not been printed anywhere before – in a magazine, newsletter, newspaper, or other publication, nor in an email, on a website, or to an e-loop.

If you are sending a simultaneous submission (sending one article to editors of two or more different publications), please let us know

We prefer a fresh word, not reprints of previously published articles.

Any article published in *The Mother's Heart Magazine*, published anywhere else afterwards, you agree to put "Originally published in *The Mother's Heart Magazine*, www.The-Mothers-Heart.com, _____ issue" at the end of the article Also, please send us notice of its republication.
