## Writer's Guidelines

for *The Mother's Heart Magazine*

Thank you for your interest in writing for **The Mother's Heart Magazine**. We are interested in heart and informational articles on all facets of motherhood, homeschooling and making a warm home environment: organization, living in God's strength, encouragement for mothers, joyous mothering, creative homemaking, child-raising, getting it all done, father's viewpoint and roles, and other topics related to Titus 2 and Proverbs 31 living.

Please keep the tone positive, real-life, with hope and a good ending. Personal experiences or other anecdotes which relate to the article topic make great lead-ins.

- **Length**

We prefer articles to be 750-1000 words for short articles, 1250-1750 words for feature articles. Please check with the editor for length options:

Editor@TMHMag.com

---

- **Spell Check**

Please run the article through **spell-check** on your word processing program. Check for misuse of homonyms. Have your spouse or friend read through it for clarity and for spelling errors.

---

- **Formatting**

Please do not format your article.

Use **one space** at the end of sentences, rather than the typical two spaces taught in typing classes.

Format with left margin, but not right justified. (Leave right edges "ragged.")

Put a single line space in the text *inside* paragraphs. Use a double line space *between* paragraphs.

Use Arial 12 point font.

Please format bulleted items to include the bullets. Please do not use fancy bullets, but use the ones included here as your guideline:●

Use italics for book and newspaper titles, quotation marks for article and chapter titles.

Please refer to a style book (*The Chicago Manual of Style* is a good reference). Periods and excl-

mation points go **inside the quotation marks**.

Please do *no other formatting* to your article.

---

- **Submissions**

**Email** transmission for articles and photos is preferred. (See information on Photograph Submission Information.)

Word Documents (doc or docx) or PageMaker files preferred.

Attach the file to your email.

Email to: [Editor@TMHMag.com](mailto:Editor@TMHMag.com) or [Kym@KymWright.com](mailto:Kym@KymWright.com)

Or you may embed the article into the email, so it becomes the body of the email.

If email is not available, please send on a **floppy disk** to: **The Mother's Heart** Magazine, PO Box 231, Oxford, MI 48370.

Please put a heading on each submission:

Your Name (Dew Rite)  
Your email address (DewRite@YourService.com)  
Title of document ("My Article Title")  
Targeted Month to print (February 09)  
Wordcount (1250)

---

- **Titles and Call Outs**

Please **title** the article, and give us several title options.

The editors reserve the right to change the title.

Please copy or add call outs (or pull quotes) at the end of the article.

Call outs are the ideas which encapsulate your article. Find the sentences which have great impact and Pow-Power! and copy those at the end of the article.

---

- **Bio or Biography**

A bio is 2-3 sentences (up to 30 words) about yourself, family, children, homeschool experience, related business, website URL, etc. No personal blogs, please.

---

- **Magazine Article Writing - The Business Side**

For more information on the practical and business side of writing, we make available Kym's 6-CD series on "Magazine Article Writing." It covers the basics, the business, the things you need to know, along with the how-to's of getting published. You can visit the website for more information:

[http://kymwright.com/magazine\\_article\\_writing.htm](http://kymwright.com/magazine_article_writing.htm)

- **Rights**

We accept First Rights, which means the article has not been printed anywhere before – in a magazine, newsletter, newspaper, or other publication, nor in an email, on a website, or to an e-loop.

If you are sending a simultaneous submission (sending one article to editors of two or more different publications), please let us know. If accepted by us, we request a 3-4 month lead time after your article is published in our magazine before it is printed elsewhere.

We prefer a fresh word, not reprints of previously published articles.

Any article published in ***The Mother's Heart Magazine***, published anywhere else afterwards, you agree to put "Originally published in ***The Mother's Heart Magazine***, [www.The-Mothers-Heart.com](http://www.The-Mothers-Heart.com), \_\_\_\_\_ issue" at the end of the article. Also, please send us notice of its republication.

---

- **Permission to Print**

- **Bible Quotes**

When using **Bible quotations** please indicate the version you use for reference. You are not limited to the King James Version.

- **Photograph Submission Information**

We like for you to submit photographs with your articles.

We love professional quality action shots, with clear focus and not homemade looking. Photographs of you speaking, at the table with your family, walking, working, or other action shots are wonderful.

We like professional. Digital cameras are great for getting professional results.

Make sure the photographs are copyright free, and that we have permission to use the photo of each person in the picture.

Additionally, if you do not have a personal photo you can include, please visit:

**www.iStockphoto.com**

and choose a photo which goes with your article. *Do not pay for the picture(s)*. When you submit your article, please include the photo number in your email and we will buy permission to use the picture.

Please send the names of each person in the photograph, and a caption telling “who, what, when, where, how, and why.” (For example: “Our local homeschool teen group sells Christmas chocolates to raise funds for their missions trip.”)

If you have photographs to go with your article, please send them to us by email, scanned at 300 dpi. If you would rather snail-mail us the photo, please mail it with your name, the article title, and issue number on the back.

If you would like a mailed photo returned, please include an SASE (self-addressed, stamped envelope) with enough postage to cover the cost of return mailing.

If emailing a picture, please send the photograph to us in any of the following formats:
